

# Confirm-IT™ Business

Hundreds of dollars are lost every week in Business due to customer "No-Shows" and late arrivals for appointments and **50%** of all "NO-Shows" occur because they are simply forgotten. **CONFIRM-IT** automatically and professionally reminds your customers via their home, business and/or cell phone of their upcoming appointment virtually eliminating "No-Shows". **CONFIRM-IT** can even leave a message on an answering machine, send an email or a text message!
